FRIENDSHIP COMES FROM THE ~~HEART~~

"Mati & Rocco" tells the adventures of Mati, a shy, nine-year-old, know-it-all boy and his best friend Rocco, a restless and curious monster that comes from a lost village in the centre of the Earth and who is fascinated by the world on the surface. Together they will live funny and grotesque adventures, where unconditional friendship is always present, and that will take them to explore both worlds. Mati must take risks to save Rocco from foreign threats that will make them face fears and obstacles typical of an urban child.

Mati lives here...

Rocco is a restless and curious monster that comes from a remote village in the centre of the Earth, and who is fascinated by the surface world. His arrival in Mati's life will help him beat his personal issues, thus creating a great friendship.

Mati is a nine-year-old, know-it-all child, attracted by scientific experiments, inventions, maps and plans. These characteristics will help him rescue Rocco and find the way to make sure his underground friend can stay with him.
